Dedicated to . .

To our superintendent, Mr. Floyd Thompson, who has guided Madison Central for twelve school years, we, the students, respectfully dedicate the Inter-Lakes of 1962-63.

During his term as superintendent, he has done much to improve the Madison City School System. He has also been president of the South Dakota School Administrators Association and has been listed in "Who's Who in American Education."

In June, 1963, he will accept a position with South Dakota Southern State Teachers College as director of special services and public relations.

Central's 'Maroon' and 'Interlark' Receive First Class Ratings

First class ratings were received for the school paper and yearbook for the past year. Results were made known at the South Dakota High School Press Association Convention in Brookings, Saturday.

Delegates from the yearbook staff were co-editors Linda Eason and Lynda Hiaring, Kendra Johnson, Gay Lynn Johnson, Joyce Groot, and adviser, Mr. J. Peshong.

The program consisted of a general session in the forenoon and repeats of many informative round tables sessions for newspaper and yearbook staff members in the afternoon.

Those representing "The Maroon" were John Andrews, Ron Scovill, Tom Sogaard, and adviser, Mr. Merlin Hiaring.

seems that one of our cheerleaders nearly took home a park-meter as a souvenir of our victory over Huron.

Since our last four games have been victories, the atmosphere has been filled with talk of State "A" placement. We all know that we are playing in the tournament, and it's start saving our pennies for those \$2.50 tickets.

To whom would you give the babies, and why?

Tom Blair—To Greg because he likes them.

Bill Salem—To Jerry Spotted-To (private joke) he hasn't had a good itch in a long time.

'Dogs' Return Devour Tigers

The Bulldogs stretched their winning streak to four straight as they scored their third ESD victory by defeating the Huron Tigers 49-31. The January 18 win was the sixth time the Bulldogs have defeated the Tigers on their own court since the Arena was built. The first was last year. The Bulldogs played a pair with the Huron five seasons ago, the Tigers edging the Bulldogs 45-43 in an earlier contest at Madison.

Sophomore guard, Tom Orton, topped the victors' scoring with 14 points. Appelwick added 12 for second. Until the final 11 seconds when the first team came out, the Madison team had committed only seven errors.

Certificates, either Class A or Class B, are awarded to the schools by the State Health office. In Jerry Southmayd, schools where 95-100 per cent of the students have been tested, they receive a Class A certificate, and Benke, Sandra Cole, in schools that have 80-95 per cent of the students tested, they are awarded Class B. In the Madison area, there are five schools with Class A certificates, and three schools with Class B certificates. Pupils from the first, sixth and eleventh grades in Madison city schools, Beadle campus, and Winfred schools were tested. Doctors who administered the tests were Dr's. J. A. Anderson, R. G. Belatti, and H. J. Stensrud. Registered nurses assisted. Mothers from the PTA helped.
